

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 1, 1995

SUBJECT: **HB 638 - SB 1032**

This bill, if enacted, will authorize the verdict of guilty but mentally ill.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures for additional psychiatric evaluations by mental health centers or mental health institutes. The amount of increase cannot be reasonably determined, since the number of cases that will require additional evaluations cannot be determined but is estimated to exceed \$100,000.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
